Disrupt Everything!

Trust Your Gut, Take a Risk, and Change the World

Innovation frequently encounters resistance. Sentiments like, "That won't work here," "I'm not the right person for this," and the classic, "We've always done it this way," are prevalent among many individuals and organizations. The comfort of the status quo can be misleading and provide a false sense of security. Fortunately, we are all equipped with an intrinsic ability to react constructively to the inevitable disruptions in our professional and personal lives.

Disruptions will occur. How will you respond when they do?

Join an inspiring journey with Dr. Patrick Leddin and be challenged to think and act in new ways in order to achieve exceptional results. In his keynote, he'll catapult you into a realm of groundbreaking ideas and actions for unparalleled success. Immerse yourself in riveting tales of trailblazing leaders who defy conventions, trust their gut, and inspire greatness in others. Discover the thrilling stories of individuals passionately living their purpose, crafting a daily impact that will leave you exhilarated and ready to disrupt and revolutionize your own path.

After attending this keynote, leaders will:

- Identify opportunities to improve their thoughts, actions, and results when navigating disruptions.
- Recognize and seize opportunities to be a catalyst for positive change, making an immediate impact on themselves, their teams, their organizations, and their wider communities toward greater success.
- Embrace the commitment to pioneer their own path of positive disruption while also empowering others to embark on similar journeys.
- Adopt an innovative disruption framework, incorporating 16 empowering behaviors to inspire, uplift, and drive positive innovation within their organization.

Ideal Audience: This message applies across all industries and to everyone who is responsible for leading themselves and others. This includes aspiring leaders, high potentials, and existing leaders.

Format: 45-to-60-minute keynote; workshops

About Patrick Leddin, PhD

Patrick leads The Disruption Project at Vanderbilt University, where he studies how people ranging from household names to unsung heroes succeed in the face of disruption. With a combination of academic, practical, military, and corporate experience, Patrick Leddin, Ph.D., is uniquely qualified to teach and inspire individuals at all organizational levels to be the positive disruptors they are meant to be. His impressive leadership experience ranges from leading soldiers as a U.S. Army Airborne Ranger to working with senior leaders for KPMG Consulting, FranklinCovey, and his two successful leadership consulting businesses.

Patrick Leddin, PhD
