

Keith Wyche

Opens the door to Successful Growth and Transformation!

Keith Wyche is a results-driven, practicing c-suite executive who provides solutions on organizational transition resilience and career development. In his presentations, Keith shares stories from his exceptional record of leading successful transformation initiatives in industries undergoing rapid change including technology, manufacturing, outsourced services, and grocery retail. He is the author of three books: *Good Is Not Enough*, *Corner Office Rules* and *Swag Is Not Enough*. Currently, he is Regional Vice President at Walmart, responsible for ensuring a clean, fast and friendly customer experience at Walmart's Large Format stores in the Northeast.
